

# Vanilla Ninja, Tough Enough

Baby only the strong will survive  
All the mysteries of life  
Only fantasy keeps you away  
In the lonely fields of those broken shields

So keep on kicking  
The bomb is ticking  
Don't stop, don't be a runaway  
Go for the fire  
Baby are you tough enough  
Just keep on living  
And don't start giving  
The devil good reason  
To get you in the seasons of heartbreak  
Baby are you tough enough

Baby are you tough enough

Yeah my skin is a dangerous place  
Never trust my smiling face  
With a touch I can change all your dreams  
And my kiss can wake  
Feelings you can't take

Baby are you tough enough  
Baby are you tough enough

I will meet you there  
Coz I need you there  
Oh tonight

Baby are you tough enough  
Baby are you tough enough
