

Vaquero, All Day Dreamer

coming down life is feather
falling down from the sky
spend some time buying flowers
from angels for a piece of mine

she's a
all day dreamer
all day dreamer
she's a
all day dreamer
all day dreamer

writing down pieces of paper
whatever get through my mind
lying down cold in the weather
giving strangers his mind

ahhh if you could see me
ahhh if you could see me
ahhh if you could see me now
(if you could see me now)

coming down life is feather
falling down from the sky
spend some time buying flowers
from angels for a piece of mine

she's a
all day dreamer
(can't get her out of my mind)
all day dreamer
she's a
all day dreamer
(can't get her out of my mind)
all day dreamer

ahhh if you could see me
ahhh if you could see me
ahhh if you could see me now

ahhh if you could see me
ahhh if you could see me
ahhh if you could see me now
(if you could see me now)

all day dreamer
can't get her out of my mind
all day dreamer
if you could see me now
