

Varathron, Dawn Of Sordid Decay

Silent black plague
Chaotic leprocious death
Beginning of the anal war
Shub Niggurath ascends to Earth

Dawn of sordid decay

A future of viter submission
All planets a frozen desert
In legions of demonic wrath
The decomposed warriors walk again

The dark spheres collide
The key to the gate is found
In the shape of a vicious rodent
Satanas reincarnates in phlegm

Dawn of sordid decay
