

Various Artists, How You Remind Me

Never made it as a wise man
I couldn't cut it as a poor man stealing
Tired of livin' like a blind man
I'm sick inside without a sense of feeling
And this is how you remind me...
This is how you remind me...
Of what I really am
This is how you remind me...
Of what I really am
It's not like you, to say sorry
I was written on a different story
This time I'm, mistakin'
For handing you a heart worth breakin'
I've been wrong, I've been down
To the bottom of every bottle
These five words in my head scream
Are we having fun yet?
(yeah yeah yeah no no yeah yeah yeah no no)
It's not like you didn't know that
I said I love you and I swear I still do
And it must have been so bad
Cause living with them must have damn near killed you
And this is how you remind me...
Of what I really am
This is how you remind me...
Of what I really am
It's not like you, to say sorry
I was written on a different story
This time I'm, mistakin'
For handing you a heart worth breakin'
I've been wrong, I've been down
To the bottom of every bottle
These five words in head scream
Are we having fun yet?
(yeah yeah yeah no no yeah yeah yeah no no)
