

# Various, Crystal Cowboy

I'm crucified  
Crucified like my savior  
Saintlike behavior  
A lifetime I prayed  
I'm crucified  
For the holy dimension  
Godlike ascension  
Heavens away  
I've seen the deepest darkness  
And wrestled with gods  
Ride the noble harness  
Raining cats and dogs  
I stand before my maker  
Like Moses on the hill  
My Guinness record baker  
I abide your will  
The first of reciters  
I saw eternal light  
Best of vocal fighters  
Beyond human sight  
Where thorns are a teaser  
I've played a double jeux  
Yherushalaim at easter  
I cry I pray mon dieu  
I cry I pray mon dieu  
[chorus]  
Prophets I've been reading  
Stories I've been told  
Before I end my breathing  
I travel in the soul  
Where thorns are a teaser  
I've played a double jeux  
Yherushalaim at easter  
I cry I pray mon dieu  
I cry I pray mon dieu  
I cry I pray mon dieu  
Adieu mon dieu  
[chorus]
