

Various, Girl For All Seasons

BOY GEORGE

I don't know much, but I know what I feel
There's too many people fighting, tied to the wheel
I don't know much, but I know what I see
There's too many people crying, washed out to sea
Generations of love
Generations of love (generations of love)
Generations of love (generations of love)
Have done you wrong
I don't know you, no, but you know what I am
Hey I don't need redemption, or no government plan
No big AIDS sensation
No 28 Clause
The end of apartheid
No message of war
Generations of love
Generations of love (generations of love)
Generations of love (generations of love)
Have done you wrong
The jew and the gentile
The black and the gay
The lost and the futile
They've all got something to say
The African nation
The sword of Islam
The rebels in China
The Sikhs and the Tams
The house of our father
The volumes of guilt
The luck of the Irish
The blood that we spilt
The angels and martyrs
The lovers and saints
The sisters of mercy
The brothers of pain
Generations of love
Generations of love (generations of love)
Generations of love (generations of love)
Have done you wrong
