

Various, Go The Distance

I'll be yours in springtime when the flowers are in bloom
We'll wander through the meadows in all their sweet perfume
And every night, I'll hold you tight beneath that April moon
I'll be your girl for all seasons

All the year through
Your girl for all seasons

'Cause I love, yes I love to be everything to you, just you
I'll be yours in summer when we're playing in the sand
We'll spend the day together making love and getting tan
And on the beach on sunset when we're walking hand and hand

Chorus

If you fall in the fall, you'll see September can be heavenly
If you fall, say you'll fall for me when autumn leaves are falling from the trees

I'll be yours in winter when the snow is on the ground
I'll warm you through December and I'll always be around
We'll kiss below the mistletoe when Santa comes to town

Chorus

Your girl for all seasons
I'll be your girl for all seasons
