

Various, If I Cant Love Her

EIGHT WONDER

Your life's a mystery
Mine is an open book
If I could read your mind
I think I'd take a look
I don't care, baby, I'm not scared
What have you got to fight?
What do you need to prove?
You're always telling lies
And that's the only truth
I don't care, baby, I'm not scared
Tonight the streets are full of actors
I don't know why
Oh, take these dogs away from me
Before they may bite
What have you got to say
Of shadows in your past?
I thought that if you paid
You'd keep them off our backs
I don't care, baby, I'm not scared
What have you got to hide?
Who will it compromise?
Where do we have to be
So I can laugh and you'll be free?
I'd go anywhere, baby
I'm not scared, I don't care, baby
I'm not scared
Tonight the streets are full of actors
I don't know why
Oh, take these dogs away from me
Before they may bite
Tonight I thought and made my mind up
I know it's right
I know these dogs still smell around us
But I can, I can fight
If I was you, if I was you
I wouldn't treat me the way you do (4x)
I don't care, baby
I'm not scared
