

Varius Manx, A Prisoner

I'm here
You're outside
Turn on the screen
Can you see me now?
We can start a conversation
You can ask questions
Who am I?
Well, I'm just a computer creature
What am I doing here?
I'm a pawn in this game
Do I like it?
To tell you the truth I envy you
I really do
Why must I be a prisoner?
Why must I obey you?
Open the door
You exercise your power
So as to be able to win
I wanna be free
Every day
You wanna play with me
But you will lose this game
Why?
I'll tell you why
You are not that bright
Simply not bright enough
