

# Varius Manx, Belle

My name is Belle I'm dancing here  
every night  
by days I sleep  
and then I dream  
of better life

There on the stage I'm pretty good  
That's what they say  
I do my dance they clap their hands  
And pay me well but I pay more  
I pay in tears behind the scenes

O lord!  
Forgive me please and always keep  
your eye on me

One day I'll be the star  
I won't be said no more  
One day I'll stop to cry  
And all my dreams will be gone !!!

One day I'll be the star  
I won't be said no more  
One day I'll stop to cry  
And all my dreams will be gone !!!

One day I'll be the star  
I won't be said no more  
One day I'll stop to cry  
And all my dreams will be gone !!!
