

Varnadeau Jeni, This Is Rest

J. Weber, J. Varnadeau, R. Partin
John 14:27, Philippians 4:7, Psalm
29:10-11

Dangerous rapids

Deafening downpour

The crushing rage of the water falling

Safe in the branches

Beside the thundering roar

One fragile robin fills the air with singing

This is rest

This is peace

This surpasses understanding

A sacred calm serenity

This is where I long to be, where I long to
be

Alone in the garden

The weight of His destiny

Crushed the heart of this forsaken son

Awaiting betrayal

He stumbled to His knees

One fragile Savior gave His life in triumph

I can't control what is to be

But there's a safe security
