

# Varsity Fanclub, All of me

All right

Ohhh

Yeah

[Verse 1:]

I heard a sad song playing on the radio

About a girl who loves him

But she never really let it show

Outside the rain keeps falling down my window

I'm crying inside, gotta see you tonight

I understand and if somebody broke your heart before

But it wasn't me who left the pieces laying on the floor

But it's me who's out here in the rain knocking at your door

Paying the price for all of his lies

[Hook 1:]

I'd write you a song but I can't find the words to say

To tell you what's on my mind

But even a symphony can't say what you mean to me

So how can I, how can I give you

[Chorus:]

All of me

When all I get is half of you

Now tell me what am I supposed to do

If all I get is half of you

If all you give is half of you

[Verse 2:]

Wanna be the reason that you never look for love again

Baby girl, I wanna be your lover, your best friend

How we gonna make it if you never gonna let me in

What can I do to prove that my love is true

[Hook 2:]

I keep holding on for as long as this gonna take

From <http://6lyrics.com>

Until you realize (realize)

Look in my eyes

And I'll never let you be betrayed

I'm not that guy, but how can I give you

[Chorus:]

All of me

When all I get is half of you

Now tell me what am I supposed to do

If all I get is half of you

If all you give is half of you

(I just can't help it)

(I just can't help it)

[Bridge:]

Now girl you got me locked up too many times

Got me paying for somebody else's crime

But how can love burn

If it's not return

I need more than this so how can I give

[Chorus:]

All of me

When all I get is half of you

Now tell me what am I supposed to do

If all I get is half of you

How can I give you all of me

(Half of you) When all I get is half of you

Now tell me what am I supposed to do

If all I get is half of you

If all you give is half of you
