

Varsity Fanclub, Bad Habit

Oooh oh oh oh
oooh oh oh oh
oooh oh oh oh
oooh oh oh oh
Girl I got some things to say
Sit down put your phone away
Don't want no interruptions
Baby, listen I can't do this
Something's missin
Always said hat you would change
Don't try to cut me off baby
Girl you hold me back
I'm out the door, that's that
Everytime I say I'm gone, I prove me wrong
'Cause I'm addicted
I'm addicted to you
I try and try to leave but I just can't let
You go 'cause every single moment
My heart says that I just can't quit
I'm like the ending of a movie that you just don't get
I don't show up late, I never forget
You got me running circles in my head
No I can't quit, you're my bad habit
Oooh oh oh oh
Oooh oh oh oh
Bad habit
Oooh oh oh oh
Oooh oh oh oh
I know I said I couldn't stay
I tried so hard to walk away
But girl you got me itching,
You got me wishing
I could break myself of you
I try to be alone baby,
But you just take control of me
And I keep tryin' hide it, and I deny it
I don't need you any more but
Everytime I say I'm gone, I prove me wrong
'Cause I'm addicted
I'm addicted to you
I try and try to leave but I just can't let
You go 'cause every single moment
My heart says that I just can't quit
I'm like the ending of a movie that you just don't get
I don't show up late, I never forget
You got me running circles in my head
No I can't quit, you're my bad habit
The first step is claiming that I'm wrong(claiming that I'm wrong)
I never take the blame no, no
So help help make myself get better
Tell me that I'm yours forever
Are you addicted to me?
I don't show up late, I never forget
You got me running circles in my head
No I can't quit, you're my bad habit
I try and try to leave but I just can't let
You go 'cause every single moment
My heart says that I just can't quit
I'm like the ending of a movie that you just don't get
I don't show up late, I never forget
You got me running circles in my head
No I can't quit, you're my bad habit
Oooh oh oh oh
oooh oh oh oh

Bad habit
ooh oh oh oh
ooh oh oh oh
Bad habit
