Young boys

I think you gotta get your hair right,

loosen up you're so tight

Baby come on (let me in tonight)

You got me lost inside your circus,

you got me feelin' nervous

Baby come on

She says this, she means that

And she's not calling me back

I keep going in circles,

around and around

She get's hot, she get's cold

And when she puts us on hold

My whole world is caught up in this complicated girl

Let me get, get, get that chick

Let me get, get, get that chick

Let me get, get, get that chick

Get that chick,

get that chick

Let me get, get, get that chick

Let me get, get, get that chick

Let me get, get, get that chick

Get that chick,

get that chick

Girl how you run your operations,

I'm loosing all my patience

Baby come on (good god i'm saying)

The time is coming, got a decision

Show me what i'm missing

Baby come on, come on

And she's not calling me back

I keep going in circles,
