

Varsity Fanclub, Domino

Nothing ever happens in this town
Its the same old thing when we go out
A new place to hang with the same crowd
I looked up when you came and sat down
Now im here with you,
and I'm admiring the view
I hope you never ever never ever cut me loose
And I dont know what to do because
Im falling into something really cant stop me
Im knocking over everything and you just caught me
From start to finish I promise I'm in this
just wanna let you know yo
Im falling like a domino
Falling falling falling just like a domino
Falling falling falling just like a domino
From start to finish i promise ill mend this
just wanna let you know yo
Im falling like a domino
Always said true love never happens
a little push a just caused this chain reaction.
I never thought youd be my distraction
I admit boy you got me crashing
Now I'm here with you and Im admiring the view
I hope you never ever never ever cut me loose
And i dont know what to do because
Im falling into something really cant stop me
Im knocking over everything and you just caught me
From start to finish I promise I'm in this
just wanna let you know yo
Im falling like a domino
Falling falling falling just like a domino
Falling falling falling just like a domino
From start to finish i promise ill mend this
just wanna let you know yo
Im falling like a domino
It all comes down you gon have my back
the last one falls baby we got that
youre saying ooh ooh hot hot
Oooh oooh hot hot
Keep saying hot hot ooh ooh hot hot
When it all comes down you gon have my back
when the last one falls baby we got that
keep saying ooh ooh keep saying ooh ooh
Keeping saying ooh ooh
Falling like a domino
Im falling into something really cant stop me
Im knocking over everything and you just caught me
From start to finish I promise I'm in this
Just wanna let you know yo
Im falling like a domino
Falling falling falling just like a domino
Falling falling falling just like a domino
From start to finish i promise I'm in this
just wanna let you know yo
Im falling like a domino
