

# Varsity Fanclub, Half Of You

Allright

Ooh

Yeaah

I heard a sad song playing in the radio  
About a girl who loves him, but she never really let it show  
Outside the rain keeps falling down my window  
I'm crying inside, gotta see you tonight  
I understand and if somebody broke your heart before  
But it wasn't me who left the pieces lying on the floor  
But it's me who's out here in the rain, knocking at your door  
Paying the price, for all of his lies  
I'd write you a song, but I can't find the words to say  
To tell you what's on my mind  
But even a symphony can't say what you mean to me  
So how can I, how can I give you  
All of me, when all I get is half of you  
Now tell me what am I supposed to do  
When all I get is half of you  
When all you give is half of you  
Wanna be the reason that you never look for love again  
Baby girl I wanna be your lover, your best friend  
How we gonna make it if you never gonna let me in  
What can do, to prove that my love is true  
I keep holding on for as long as it's gonna take  
Until you realize (realize)  
Look in my eyes and I'll never let you be betrayed  
I'm not that guy, but how can I give you  
All of me, when all I get is half of you  
Now tell me what am I supposed to do  
When all I get is half of you  
When all you give is half of you  
(I just get half of you)  
(I just get half of you)  
Girl you got me locked up too in time  
Got me paying for somebody else's crime  
How can love burn  
If it's not returned  
I need more than this so how can I give  
All of me, when all I get is half of you  
Now tell me what am I supposed to do  
When all I get is half of you  
When all you give is half of you  
How can I give you all of me  
(Half of you) when all you give is half of you  
Now tell me what am I supposed to do  
When all I get is half of you  
When all you give is half of you
