

# Varsity Fanclub, It's Christmas Again

Merry christmas  
Yeah, ho ho ho  
Ho ho ho ho ho  
The temperatures dropping  
This party is hopping  
My hands are covered up with gloves  
Mom made some cookies  
And gave me a hoodie  
Hot cocoa is in my cup  
Friends and family all around  
Snowflakes falling to the ground  
We've just been hanging out  
Cause christmas time is here  
Presents underneath the tree  
One for you and three for me  
We've been waiting patiently  
And finally  
It's christmas [x2]  
It's christmas again again  
It's christmas [x2]  
It's christmas again  
So everybody say  
Ho ho ho ho ho [x3]  
Cause christmas time is here  
Ho ho ho ho ho [x3]  
And it's my favourite time of the year  
The fire's still burning  
The music is playing  
The children are building things with snow  
The trees decorated  
The food, I can taste it  
I hung up the mistletoe  
Friends and family all around  
Snowflakes falling to the ground  
We've just been hanging out  
Cause christmas time is here  
Presents underneath the tree  
One for you and three for me  
We've been waiting patiently  
And finally  
It's christmas [x2]  
It's christmas again again  
It's christmas [x2]  
It's christmas again  
So everybody say  
Ho ho ho ho ho [x3]  
Cause christmas time is here  
Ho ho ho ho ho [x3]  
And it's my favourite time of the year  
Hey, santa just came  
And dropped off some gifts  
He ate all the cookies  
Checked off his list  
The reindeer had gone (so gone)  
They're pulling his sleigh  
So, when's next christmas day  
Ho ho ho ho ho (yeah)  
Ho ho ho ho ho (oh yeah)  
Said santa is coming  
Ho ho ho ho ho (oh yeah)  
Ho ho ho ho ho (oh woah woah)  
It's christmas [x3]  
It's christmas again  
It's that time of year again

It's christmas [x2]  
It's christmas again  
It's my favourite time of the year  
It's christmas [x2]  
It's christmas again again  
It's christmas  
All the gifts under the tree for doing things for me  
It's christmas  
It's christmas again  
So everybody say  
Everybody say (its christmas)  
Everybody say ho ho ho ho[x2]  
Cause christmas time is here  
Everybody say ho ho ho ho[x3]  
It's my favorite time of the year  
It's christmas  
It's christmas  
Once again
