

# VAST, Can't Say No (To You)

Closed eyes in the dark  
Whispering when no one's around  
The night sky looks like blue (?)  
My touch does not affect you

I wait for the night to follow me  
Like sugarplums, like sugardrops  
I wait for the night to conquer me again  
I can't say yes, I can't say no to you

We bring our stories with us  
We light a candle for beauty's sake  
Are you feeling the bliss?  
I am dying  
I am

I wait for the night to follow me  
With sugarplums, with sugardrops  
I wait for the night to conquer me again  
I can't say yes, I can't say no to you

I wait for the night to conquer me again  
I can't say yes, I can't say no to you
