

VAST, I`m dying

Jesus Christ

Are you the son of god

I want to know

You ask that I believe

Not one day goes by

That I don't compromise

Your love for the cold love of the world

It's killing me through my own evil pride

Not one day goes by

that I don't know that I'm dying

Jesus Christ

Are you the savior of the world

I want to see but I still believe

Not one day goes by

That i don't realize

I know that no one will ever know

Where the flowers go when they are gone

Not one day goes by

That I don't know that I'm dying

I want to say you all are too
