

VAST, Senorita

Working in fields with the sweat on my brow gets so lonely
Until I think about my Senorita back at home
This week i'll have enough cash to buy clothes for my children
Workin all day in fields to bring it all back home

I am a prisoner
I live to see the day
He comes upon a horse
I live to see the day he comes for me

They drive and they sneer in their Mercedes Benz it's one hundred
Like i'm some pet who is there just ot bring them their roses
I am a prisoner
I spent a year living in an old van with no engine
I do it all for my Senorita down in Mexico

I am a prisoner
I live to see the day she comes upon a horse
I live to see the day she comes for me

I am a prisoner
I live to see the day she comes upon a horse
I live to see the day she comes for me

I love you more than life

I am a prisoner

I'm losing my mind
I am losing the sense of my manhood
I cannot find the shade to cool my anger down
My first son Jesus was born under a bridge around Broadway
He's living with a Senorita down in Mexico

I am a prisoner
I live to see the day she comes upon a horse
I live to see the day she comes for me

I love you more than life
