

Vaughan Brors, Telephone Song

Woke up this morning I was all alone saw your picture by the telephone
I was missing you oh so bad
Wish I had you here to hold all I've got is this touch-tone phone
So I guess I'll give you a call

Operator help me please get thru to my baby way overseas
Time's a wastin' oh so fast
Hello baby tell me is that you I don't know what we're gonna do
But for now I'm glad I got you on the line

Well it feels so fine knowing you're all right
But you're miles away lord it's not the same

Well I woke up this morning I was all alone saw your picture by the telephone
I've been missing you baby oh so bad
I love you baby with all my might come on home and squeeze me tight
Long distance lovin's gonna drive me out of my mind
