

# Vaughan Brors, Telephone Song

Woke up this morning I was all alone saw your picture by the telephone  
I was missing you oh so bad  
Wish I had you here to hold all I've got is this touch-tone phone  
So I guess I'll give you a call

Operator help me please get thru to my baby way overseas  
Time's a wastin' oh so fast  
Hello baby tell me is that you I don't know what we're gonna do  
But for now I'm glad I got you on the line

Well it feels so fine knowing you're all right  
But you're miles away lord it's not the same

Well I woke up this morning I was all alone saw your picture by the telephone  
I've been missing you baby oh so bad  
I love you baby with all my might come on home and squeeze me tight  
Long distance lovin's gonna drive me out of my mind
