

# Vaughan Brors, Tick Tock

"One night while sleeping in my bed I had a beautiful dream  
That all the people of the world got together on the same wavelength  
And began helping one another  
Now in this dream, universal love was the theme of the day  
Peace and understanding and it happened this way"

The sick, the hungry, had smiles on their faces  
The tired and the homeless had family all around  
The streets and the cities were all beautiful places  
And the walls came tumblin' down

People of the world all had it together  
Had it together for the boys and the girls  
And the children of the world look forward to a future  
Remember  
Tick tock, tick tock, tick tock people, time's tickin' away  
Remember that  
Tick tock, tick tock, tick tock people, time's tickin' away

I had a vision of blue skies from sea to shining sea  
All the trees in the forest stood strong and tall again  
Everything was clean and pretty and safe for you and me

The worst of enemies became the best of friends

People of the world all had it together  
Had it together for the boys and the girls  
Children of the world look forward to a future

Remember  
Tick tock, tick tock, tick tock people, time's tickin' away  
Remember that  
Tick tock, tick tock, tick tock people, time's tickin' away

Remember that, remember that  
Remember that, remember that

People of the world all had it together  
Had it together for the boys and the girls  
Children of the world look forward to a future

Remember  
Tick tock, tick tock, tick tock people, time's tickin' away  
Remember that  
Tick tock, tick tock, tick tock people, time's tickin' away
