i give you one love you give me one love

i give you one love girl you give me one love

i give you one love you give me one love

give you one love girl you give me one love

there is not much just enough

that would do them a just a few girl

there is not much just enough

that would do them a just a few

so why did you come

so why did you ask

there is nothing inside

i could give it back

so why did you come

so why did you ask

there is nothing inside

i could give it back

like a glass of alcohol is my only only love

like a my favorite joint, marihuana of them is so strong

like a glass of alcohol is my only only love

like a my favorite joint, marihuana of them is so strong

Without this love what would I feel

Nothing but anger nothing but fear

Without this love what would I be

Nothing but a monkey an animal in the trees

Without this love what would I feel

Nothing but anger nothing but fear

Without these blessings of Jah-Jah love

Would I be a human or rather not

i give you one love you give me one love

i give you one love girl you give me one love

i give you one love you give me one love

give you one love girl you give me one love

i give you one love you give me one love

i give you one love girl you give me one love

i give you one love you give me one love

give you one love girl you give me one love

i have to break it have to make it

i have to break it have to make it (stress)

i have to break it have to make it

i have to break it have to make it (stress)

i have to break it have to make it

i have to break it have to make it (stress)

i have to break it have to make it

i have to break it have to make it (stress)

your fragrance sweet baby is a very very strong

your fragrance sweet baby is a very very strong

your fragrance sweet baby is a very very strong

your fragrance sweet baby is a very strong

mhm... i dont wanna be alone dem never let me go
and open your eyes my princess and look what's going on
i dont wanna be alone dem never let me go
and open your eyes my princess and look what's going on
i dont wanna be alone dem never let me go
and open your eyes my princess and look what's going on
i dont wanna be alone dem never let me go
and open your eyes my princess and look what's going on
