

# Veda Hille, Plants

pokeberry bittersweet nightshade and jimson weed  
their fruits roots or berries are sometimes eaten by mistake  
the daffodil is a wild flower the dandelion is a weed  
the bluebell is a pretty flower the holly is a prickly tree  
wheat once did grow wild as apples  
some people are poisoned more easily than others  
the blue bell is a pretty flower the holly is a prickly tree  
seaweed grows in the ocean it grows in a funny kind of way  
wheat once did grow wild as apples  
some people are poisoned more easily than others  
we once did grow wild as apples  
some poisonous plants are very helpful  
fly angel death angel fly angel death angel fly  
pokeberry bittersweet nightshade and jimson weed  
their fruits roots or berries are sometimes eaten by mistake  
I could eat you by mistake.  
like I could eat turkish delight  
I could eat you by mistake, like I could eat turkish delight,  
I could eat delight.
