

# Veda Hille, Rose of Sharon

I am a rose of Sharon  
A lily among thorns  
As an apple tree within the woods  
So my lover among men

I open to my lover  
My lover he had gone  
I looked, I could not find him  
I called, he did not come

I open to my lover  
My lover he had gone  
I looked, I could not find  
I called, he did not come

I am a rose of Sharon  
A lily among thorns  
As an apple tree within the woods  
So my lover among men
