

# Vega 4, Drifting Away Violently

Marching on ice to a place that's  
too far off to see  
peel back the skin to uncover  
the things that you feel  
send in the military and use all  
the force that you need  
we made a connection but i  
dropped the receiver again

there's a hole in the sky where  
the daylight is bleeding away  
i'm stuck in a place conversations  
repeat endlessly

now you ignore me  
i'm here by myself  
i just wanna be happy  
i'm drifting away violently

see through the static, the  
panic, the silence, the lull  
my head is an airport for thoughts  
on their way to somewhere else

wrapped up in memories of  
trying to forget who we are  
we're stuck in the traffic  
its too hot to stay in the car

cracks in the stone on the street  
where i lived show me things  
but i'm wasting away alone i'm the only  
one listening to me

now you ignore me  
i'm here by myself  
i just wanna be happy  
i'm drifting away, violently x3
