

# VeggieTales, Good Morning, George

Laura Carrot:

Good morning, George. How are you?

I hope you're feeling fine!

I'd love to stay and talk but it's almost eight o' clock  
and I haven't got the time!!

Because we work real hard at the Chocolate factory

We start at eight and we don't get lunch 'till three

I've gotta drive a truck

To make a buck

So I can send it home to my family!!

Mr. Lunt:

Well now u are in trouble

Your timecard is a wreck!

It's almost two past eight

I'll tell Nezzar that you're late

And he'll take it from your check!

Laura Carrot:

Yes, Mr. Lunt

Mr. Lunt:

Oh, yes we work REAL hard at the Chocolate Factory!!

Phil-a-pea:

Excuse me, Mr. Lunt, but I've got an injury!!

Mr. Lunt:

Now get back on the line

You'll be just fine

With all this work to do we've got no time for sympathy!!

Larry the Cucumber:

We used to be so happy

Bob the Tomato:

We used to laugh and run

Juinor Asparagus:

But there's no time to play

'cuz we've gotta work all day

and it isn't very fun!!

Bob:

I'm Rack!

Juinor:

I'm Shack!

Larry:

I'm Benny!

All three:

We work here in the plant!

We'd like to take a break!

For goodness sake!

But Mr. Nezzar says . . .

Mr. Lunt:

You can't! Ha!!

Someday they'll come and join us

and we'll live in harmony.

hope that day is near

and untill then you'll find  
us here at the nezzer Chocolate Factory!!!!
