

VeggieTales, Jonah's Journey

Jonah was a prophet,
he had a job to do,
go to niniva and teach,
but Jonah said "teach who?"
he didn't wanna go,
insted he ran the other way,
Jonah jumped aboard a ship,
and sailed far away,
the wind blew hard,
a mighty stom came through,
the seamen and the captin,
did not know what to do,
they called out to Jonah we will shurly die,
'toss me overbord' said Jonah with a cry.

Jonah went on a journy,
but didn't really know,
God wants us to follow him,
where ever we may go,
walk, walk walk with God,
walking in Gods way,
we can learn to do whats right,
ever single day

fell in to the waters,
he tryed his best to swim,
and when the storm had past,
a fish had swallowed him,
Jonah sat insid the fish,
and he began to pray,
hoping for salvation,
to be granted on that day,
Jonah got another chance,
because of Gods love,
He showd them grace and mercy,
and kindness from above,
the great fish that ate Jonah,
spin him out upon the ground,
Jonah had another chance,
to spread Gods love around,

Jonah went on a journy,
but did he really know,
God wants us to follow him,

Jonah please obay,

God asked his servent Jonah,
in his verry special way,
on to niniva he went,
preaching what god said,
serving god by teaching,
his word to all was spread,
the king said God is loved,
give up your evil ways,
the people asked forgivness,
and prayed to God for days,
God showed them compassion,
he want to help them out,

he is a loving God who cares,
even when in doubt

Jonah got quit angry,
he could not understand,
he left the great city,
and doubted Gods plan,
God provided him with shade,
and Jonah was so pleased,
he sat and waited judgment,
on the city in a breeze,
he wasn't verry happy,
when a worm came up and ate,
the vine god had given him,
to sit beside and wait,
why are you angry,
God wanted to know,
I care about my people,
who need to lern and grow
