

VeggieTales, Think Of Me (From Bedtime Songs)

Think of me Everyday
Hold tight to what I say
And I'll be close to you
Even From far away
Know that where ever you are
It is never to far
If you think of me, i'll be with you
Think of God's love for you
His word is good and true
No matter where you go
He will take care of you
Sleep now and close your eyes,
Just like a lullabye
Soon you'll wake up and the day will be new
