

# VeggieTales, Veggie Tales Bunny Song

The Bunny, the bunny, whoa I love the bunny  
I don't love my mom or my dad, just the bunny  
The Bunny, the bunny, Yeah I love the bunny  
I gave everything that I had for the bunny  
I don't want no heath food when it's time to feed  
A big bag o' bunnies is all that I need  
I don't want no buddies to come out and play  
I'll sit on my sofa eat bunnies all day  
I wont go to church and I wont go to school,  
that stuff is for sissys, but bunnies are cool!
