

Velasquez Jaci, Un Lugar Celestial

Sometimes I realize when I gaze in
the skies

This spinning world is not my home
A place of mystery, a land of destiny
Is where I know one day I'll go
I dream of beauty I have never seen
I know the arms of heaven wait for me
And yet I feel its sweetness here
and now

In this life on earth- I have found

CHORUS

Un lugar celestial

Just a little bit of heaven sent from
up above

Un lugar celestial

Where the presence of my Father
Holds me in His love

Un lugar celestial

When all my skies are gray

I simply steal away

Into my secret hiding place

When hearts are cold as ice

The breath of paradise

Blows warm and gentle on my face

I know I need my time alone with Him

His healing waters flowing deep within

Don't have to wish upon a distant star

'Cause the light of love fills my heart

CHORUS

El cielo me llama (Heaven is calling me)

Caminando en las nubes (Walking on the clouds)

Dulce beso de libertad (Sweet kiss of liberty)

Nubes de gloria (Clouds of glory)

CHORUS
