Velasquez Regine, Send Me Someone To Love

Heaven please send to all mankind
Understanding and peace of mind
And it it's not asking too much
Please send me someone to love
To show the world
How to get along
Peace will enter
When hate is gone
And if it's not asking too much
Please send me someone to love
REFRAIN:
I lay awake nights
And ponder a world of troubles
And the answers always
The same that unless man
Put an end to all of this
Hate will put the world in flame
Oh what a shame
Just because I'm in misery
I don't beg for no sympathy
But if it's not asking too much
Please send me someone to love
(Repeat Refrain going higher notes except last line)
Please send me
Send me someone to love....
Send me someone
Someone, ooh, ooh...
Just send me someone to love.....
