

Velasquez Regine, The Way Love's Meant To Be

All alone, lost in my dreams
Who could know, just how I feel
All the hopes and fears, the joy,
the tears hidden in my heart
Tell me I'm not dreaming, is it you?
Time stand still, when I see you
All these years, if you only knew
How I've wanted to ask, would you come back?
I'm here for you, please don't go away
I'll never leave, I'll always stay
Oh baby, please come back to me
Or, it is the only way love's meant to be
I'll stay here with you for eternity
Oh baby, please come back to me
All alone, lost in my dreams
Who could know, just how I feel
All the hopes and fears, the joy,
the tears hidden in my heart
Tell me I'm not dreaming, is it you?
Time stand still, when I see you
All these years, if you only knew
How I've wanted to ask, now you've come back
I'm here for you, please don't go away, love calls our names,
Love has a way
Oh baby, please come back to me
Or, it is the only way love's meant to be
I'll stay here with you for eternity
Oh baby, please come back to me
I can't live without you, don't you see
We have a true love, love beyond the dreams
Oh baby, please come back to me
