

Velocity Girl, It's Not For You

It's not for you (it's not for you)
Cause I'm still cleaning off all the heavy residue
And that's not what I wanna do (it's not what I wanna do)

It's not for you (it's not for you)
If you're too cynical to endure my gratitude
I won't disturb your solitude (it's not what I wanna do)

As far as I can tell, I'm grounded
And maybe it's just as well
As far as I'm concerned, you're restless
And now you can rest assured

It's by design (it's by design)
That I can't be counted on to be happy all the time
Aside from that, I'm feeling fine (now that I'm feeling fine)

How could it be (how could it be)
that you're oblivious to the rules of gravity?
You can't come down and talk to me (come down and talk to me)

As far as I can tell, I'm grounded
And maybe it's just as well
As far as I'm concerned, you're restless
And now you can rest assured

As far as I can tell, I'm grounded
And maybe it's just as well
As far as I can say, excuses
Are all I can give away

As far as I can see, my conscience
Is lighter inside my dreams
As far as I'm concerned, you're restless
And now you can rest assured
