

Velocity Girl, Sorry Again

it will never happen again
is a promise i just can't keep
all alone on the porch
drifting off to sleep
i change this much this year
but i did it for you my dear
let me stick around
i'll never let you down

well i guess that i was wrong
well i guess that i was wrong
i was mistaken all along
and its hard to admit its the end
now its hard to admit its the end
so i'll say i'm sorry again
and again and again and again

you wanted to change my mind
wel you falling a bit behind
it can never be the same
he refuse to take the blame
well i guess it happened again
if already didn't know
sometimes its hard to believe
we've sunk so low

well i guess that i was wrong
well i guess that i was wrong
i was mistaken all along
and its hard to admit its the end
now its hard to admit its the end
so i'll say i'm sorry again
and again and again and again

well i guess that i was wrong
well i guess that i was wrong
i was mistaken all along
and its hard to admit its the end
now its hard to admit its the end
so i'll say i'm sorry again
and again and again and again
