

Velvet Acid Christ, Grizzly Reaper

I decide,
backwards in time,
buried again,
so long down.

Can't get in time,
can't get in time,
can't get in time,
can't get in time.

I left the window broken,
hurting your mind,
hurting your eyes.
pain now.

See your hands,
your buried time,
your lost vision,
in your mind your mind,
hit your eyes, sorry,
which day do you choose,
we honor you,
but never loose your fucking mind,
your fucking mind,
driving me crazy,
in mind,
your dead.

I don't see,
i don't see you,
i don't see,
i don't see you,

I won't see,
i won't see me,
that won't save me.
away.

Don't see,
broken minds,
keep us sane,
your heaven.
your broken soul.
