

Velvet Belly, Flow

Sleep draws me under
I'm taken by the flow
I see myself drowning
And I let myself go

All the way to the bottom
All the way down
To forget where I came from

If you don't believe in me
I'll show you won't(?)
And if you don't see what's in me
You know I won't

I'll go all the way to the bottom
All the way down
And forget where I came from

Time draws me under
I'm taken by the flow
And soon it will be over
My life was just a blow

I'll go all the way to the bottom
All the way down
And forget where I came from

All the way to the bottom
All the way down
All the way to the bottom
