

Velvet Belly, Tip Toe

music : Velvet Belly

lyrics : Anne Marie Almedal

I tiptoe to the edge of the mountain
I look up before I dare to look down
And it's as deep as heaven

I'm trying to keep the balance
Here on the edge of the fall
I feel like letting myself go

I tiptoe to the edge of the mountain
I look up before I dare to look down
A distant voice
A distant push
I feel like letting myself go
