

# Velvet Belly, Unreal

music : Velvet Belly

lyrics : Anne-Marie Almedal

I don't know how to feel  
It seems a bit unreal  
You are a stranger suddenly  
As you stand before me

You've been miles and miles away  
I've been thinking of you every day  
And there's nothing more precious than a memory

I'll do my best to find you  
And I know you're searching too  
In the memories we share

You've been miles and miles away  
I've been thinking of you every day  
And there's nothing so precious as a memory
