

Velvet Chain, Fall Away

J. stacy / a. calamusa

You've come around to see me lately, more often than you do... is the same thing eating you...

You've been so down and dusty maybe, you can finally see the truth... it was never right for you - th

So I say... I say, fall away... from your love... I say... fall away...

You could really use a good time, I could call a friend or two... we could make you laugh again - ca

I said... fall away... from your love... I said... fall away... from your love...

I've been waiting such a long time to see you smile like you do... only melancholy blue... you could
W's days will unwind you... tomorrow's days will unwind you...

Fall away... from your love.
