Velvet Empire, He Said She Said

Yeah, ohhh
Oh Baby
Crazy Yea, Crazy

She said she'd love me forever
He said that we were together
She told me I was the only one
She told me I'm not the only one
She said that I could believe her
He said that he wasn't with her
And it's all messin' with my head
Innuendo he said she said

I can't make up my mind
Which one is tellin lies
Is she coverin my eyes
And the truth I need to find yea

I just can't take it baby
Look what you've done to me now
You know you drive me crazy
Look what you've done to me now
Keep pushin pullin baby
Look what you've done to me now
If you don't want me baby
Can't take all this he said she said

He's in my one ear
She's in the other

Has he been faithful
Is she is lover
She said there's no need to worry
I'm scared that he's gonna hurt me
How could you do it baby?

It's killin' me inside
Which one is telling lies
And the truth I need to find
How could I be so blind yeah

I just can't take it baby
Look what you've done to me now
You know you drive me crazy
Look what you've done to me now
Keep pushin pullin baby
Look what you've done to me now
If you don't want me baby
Can't take all this he said she said

It's tearin' me apart
Quit playin' with my heart
Girl good love is so hard to find
(so hard to find)
All that I go through
You get me so confused
You're pushin' me and pullin me
Why's he saying all these things about you

I just can't take it baby
Look what you've done to me now
You know you drive me crazy
Look what you've done to me now
Keep pushin pullin baby

Look what you've done to me now
If you don't want me baby
Can't take all this he said she said

I just can't take it baby
Look what you've done to me now
You know you drive me crazy
Look what you've done to me now
Keep pushin pullin baby
Look what you've done to me now
If you don't want me baby
Can't take all this he said she said
