

Velvet Underground, I Can't Stand It

Before being a man
Livin' in a garbage pail
My landlady call me up
She tried to hit me with a mop

I can't stand it anymore more
I can't stand it anymore more
I can't stand it anymore more
But if Shelly she would just come back
It'll be alright
But if Shelly she would just come back
It'll be alright

I live with thirteen dead cats
A purple who hear spats
They're all livin in a hall
And I can't stand it anymore

I can't stand it anymore more
I can't stand it anymore more
I can't stand it anymore more
But if Shelly she would just come back
It'll be alright
But if Shelly she would just come back
It'll be alright

Before being a man
Livin' in a garbage pail
My landlady call me up
She tried to hit me with a mop

I can't stand it anymore more
I can't stand it anymore more
I can't stand it anymore more
But if Shelly she would just come back
It'll be alright
But if Shelly she would just come back
It'll be alright
Be alright, be alright....
