

# Velvet Underground, I'm Sticking With You

I'm sticking with you  
'Cos I'm made out of glue  
Anything that you might do  
I'm gonna do too

You held up a stagecoach in the rain  
And I'm doing the same  
So you're hanging from a tree  
And I made believe it was me

I'm sticking with you  
'Cos I'm made out of glue  
Anything that you might do  
I'm gonna do too

There're people going into the stratosphere  
Soldiers fighting with the Cong  
But with you by my side I can do anything  
When we swing, babe, we hang past right and wrong

I'll do anything for you  
Anything you want me too  
I'll do anything for you  
Oohoh I'm sticking with you  
Oohoh I'm sticking with you  
Oohoh I'm sticking with you
