

# Velvet Underground, Stephanie Says

Stephanie says that she wants to know  
Why she's given half her life, to people she hates now  
Stephanie says when answering the phone  
What country shall I say is calling from across the world

But she's not afraid to die, the people all call her Alaska  
Between worlds so the people ask her 'cause it's all in her mind  
It's all in her mind

Stephanie says that she wants to know  
Why it is thought she's the door She can't be the room

Stephanie says but doesn't hang up the phone  
What sea shell sea is calling from across the world

But she's not afraid to die, the people all call her Alaska  
Between worlds so the people ask her 'cause it's all in her mind  
It's all in her mind

She asks you is it good or bad  
It's such an icy feeling it's so cold in Alaska,  
it's so cold in Alaska, it's so cold in Alaska
