

# Venerea, Dana D & Talee T

I always thought punk was 'bout being fun  
but there's way, way too much hate  
I saw Dana & Talee being beaten up  
just 'cause they cannot skate

Why should I be afraid of being bullied ?  
Why do I have to be scared  
'cause I can't do an ollie  
Why ?  
Now Dana & Talee are swollen all around

Dana D. & Talee T. were beaten up by punks  
but they didn't care about sticks and stones  
Dana : we are nice !

Why, why, why, why, why, why, why,  
why do those bigots call the music theirs  
and make Dana cry ?  
Why ?  
Dana : I'm so swollen  
Talee : I am, too
