

Venera, Dana D & Talee T

I always thought punk was 'bout being fun
but there's way, way too much hate
I saw Dana & Talee being beaten up
just 'cause they cannot skate

Why should I be afraid of being bullied ?
Why do I have to be scared
'cause I can't do an ollie
Why ?
Now Dana & Talee are swollen all around

Dana D. & Talee T. were beaten up by punks
but they didn't care about sticks and stones
Dana : we are nice !

Why, why, why, why, why, why, why,
why do those bigots call the music theirs
and make Dana cry ?
Why ?
Dana : I'm so swollen
Talee : I am, too
