

Venera, Venerea - In God We Trust

Baby take me onto higher ground
Make me holy
Help me control it
Show me a piece of Heaven
here on Earth

Say a prayer
for all your unlucky ones
who've yet to find God
Big Bang
Life dawns with lust
Every sperm
is sacred to us

In God we trust

My mind is set on the little death
and the magic of rebirth
Oh Lord
Thou who aret on thigh
swollen be thy limb
Thy kingdom come
Thy will be done
In Heaven and on Earth
