

Vengaboys, Boom Boom Boom Boom

woooahh ohohoh 6 times (Vengaboys go back in time)

If you're alone and you need a friend
Someone to make you forget your problems
Just come along baby
Take my hand
I'll be your lover tonight

woooahh ohh ohh ohh

This is what I wanna do

wooahh ohoh

(Let's have some fun)

wooah ohoh

One on one just me and you

Boom boom boom boom
I want you in my room
Let's spend the night together
From now until forever
Boom boom boom boom
I wanna go kaboom
Let's spend the night together
Together in my room

wooahh 3 times (Everbody dandelion) (stand no place back in time)

This is what I wanna do

What I want is me and you

Boom boom boom boom
I want you in my room
Let's spend the night together
From now until forever
Boom boom boom boom

Let's spend the night together
Together in my room

Boom boom boom boom

Let's spend the night together
