

Vengaboys, Take Me To The City

Don't wanna give myself to you,
But your body's on my mind
Just wanna dance because of
you You are moving me so right
Wake me up! Wake me up!
Make me crazy! Have fun tonight!
First I didn't care for you
Could pretend it to be shy
Then I saw the naked truth
Your body next to mine
Make me hot! Make me hot!
Take me to heaven!
Wanna feel your super body!!
Wanna feel your super body!!

Wake me up! Take me to the city!
Wake me up! I make myself so pretty!
Wake me up! To you I wanna give it!
WoooOOOoooOOO

I love you and you love me
You make me happy 1, 2, 3
For me a reason not to cry
You lift me up and let me fly
Wake me up! Wake me up!
You make me crazy! Have fun tonight!
First I didn't see it through
When I saw that you were right
You made me scream that I love you
So I keep your love tonight
Make me hot! Make me hot!
Take me to heaven!
Wanna feel your super body!
Wanna feel your super body!

You gave me all the love I ever wanted
So there is no reason for another man
Wake me up! Wake me up!
So I can see (WoooOOOoooOOO)
Why I want to feel your body! (WoooOOOoooOOO)
Oh I want to feel your body!
Wake me up!
Wake me up!

WoooOOOoooOOO!!!
